- SBI team visited our school on 1st April. They shared relevant information about 'Sukanya Smridhi' and 'Recurring deposit' scheme to our students.
- Parent Teacher’s Meeting was conducted in Basti School on 8th July. A large number of parents attended the same. It was a good interactive session between the Teachers and Parents. Teachers not only briefed the parents about the academics but also talked about some children’s irregularity and hygiene.

- Few of our children who travel everyday by boat from Machli Adda (near DND flyover) were spotted by Red FM 93.5 Radio Jockey Mr. Raunac, which excited him to travel along with them. During that period he interviewed the children which was covered by **Red FM 93.5** on 4th September. The impact of the programme made the **Owner of Avon Cycles** to come forward and donate 10 bicycles to our Machli Adda students. We highly appreciate the effort made by Mr. Raunac and his team.

- We are humbled to share that one of our former student Vikas has been awarded with a new bicycle. Vikas is a special child, but despite of his disabilities he has learnt many useful learning skills. Presently he is supplying milk and water to our students regularly.
