Education didn't stop during lockdown, instead it moved online. Our school teachers slowly adopted a virtual tutoring platform through smartphones, tablets and laptops provided to the students. In spite of these we had few hiccups due to limited Wi-Fi connectivity and Internet devices in the Basti. On the whole approximately 50% children were benefited. Our heartfelt gratitude to Mr. Rawal and his family for donating 10 Laptops and 15 Smart Phones and Sopra Steria for 10 tablets to the Senior Students for their ongoing online classes. Students are highly obliged by Donors concern and timely donation.

Sopra Steria awarded cash prize of Rs. 3000/- each to 12 students from classes 9 to 11 on obtaining above 60% marks in Academics. Thank you Sopra Steria for your generosity.

74th Independence Day on August 15, 2020 had a slight twist. Owing to the ongoing Corona Virus Pandemic there was no social gathering as Government Offices have been asked to Webcast their events and celebrations. In that scenario few of our teachers and Senior students hoisted the National Flag in the Basti along with their parents. Refreshment were distributed to all.
